Bring it...
Shake it!

September 14, 2020 - April of 2021 - TBD

BISI Presents our 2021 Spring Production:

Sail Away

Ship to shore as we travel through paradise on a CRUISE! A story of 3 best friends who finally get to travel together on their very first dream vacation to the Caribbean. As they take sail on the BISI STARDUST CRUISE LINE their adventure builds on this voyage that will have you laugh & cry.

The life long friendship that these 3 girls share shows how much crazy-silly fun they have when they are together. Most importantly you will be able to feel the "Love of Friends" as it brings true meaning to having BFF's in our lives!!!

All students that are registered with our dance program this season will be highlighted throughout our theatrical production of Sail Away! We strive for our students to get as much training and stage time as they deserve.

This production is a dance experience where the art of *Dance & Music* tell the story!

In Spring of 2021, BISI will bring our audience aboard for an adventure like no other!

If your passion is dance and would like to take your training to the next level with ample opportunities to perform and compete, this is the company for you!

The **BISI JR DANCE COMPANY** program (students ages 6-18yrs) prepares dancers to gain extensive training in all dance styles with a strong focus on detail, technique and choreography. Each student will become a well-rounded performer with additional performance opportunities including regional dance competitions, community performances and our spring dance production.

OUR MISSION

- 1) Developing each student's individual best as well as supporting other members of the company.
- 2) Promoting the entire groups' development in dance and performance.
- 3) The focus is not to compete against one another in a negative way, but to help the whole group improve in a healthy and positive manner.

The company rehearsals and technique classes are focused on dedication and development and are delivered in a fun and inspiring environment! Auditions held yearly in May.

SPECIAL Guest ARTIST!

\$25 per workshop for non BISI Dance Students / \$20 for all BISI Dance Students

BISI has the privilege to offer to our aspiring dancers special workshops that are conducted by a SPECIAL GUEST ARTIST. These workshops bring to life the concepts from our weekly dance classes by providing a more intensive dance training with a variety of dance styles, including Musical Theatre. Each workshop will be announced throughout the year and will be designed for each level as well as the appropriateness for each age group.

SAFETY DANCE is our top priority to accommodate to all comfort levels this season. Social DIS-DANCING at it's best!

- 1) Temperature screening is taken upon arrival with a temporal thermometer. Students with a temp of 100.4 F or greater, is considered a fever and will be sent home.
- 2) Mandatory hand washing on entry & exit along with access to hand sanitizers at all times.
- 3) Social distancing decals are placed on both dance studio floors for all students.
- 4) Extra cleaning between each class of all surfaces, door knobs/handles, ballet barres & tumbling/yoga mats.
- 5) Controlled traffic flow - only dancers & teachers are allowed in the studio.
- 6) Masks are optional - as long as students keep the 6ft of social distancing. We ask that all students arrive with their mask on and have with them as needed. We do sell custom designed BISI MASKS for \$12 that are handmade with pleated cloth & are also lined inside. All BISI Masks are machine washable and come in one size.

Thank you for your cooperation & keeping us all safe @ BISI!
